Walgreens Prescriptions

This instruction will focus on prescriptions on Walgreens; for regular pharmacy shopping, please refer to another instruction.

Specifically, this instruction includes:

- 1) Ordering Refills
- 2) Registering & ordering for Home Delivery
- 3) Transferring a prescription to Walgreens
- 4) Accessing your Vaccination Records

Getting Started

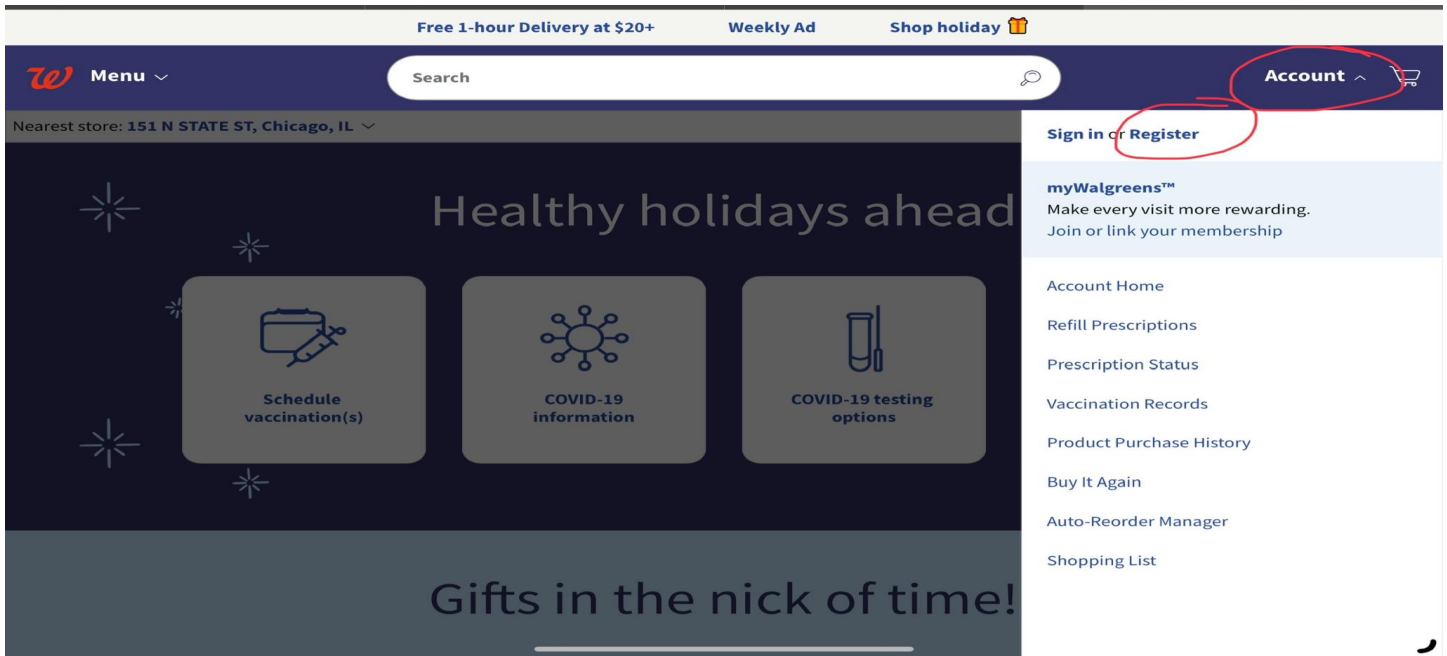

- Start by registering at www.walgreens.com or search Walgreens on Google
- If you have previously gotten your medication at Walgreens, register using your phone number and address that you have provided them.

The screenshot shows the top navigation bar of the Walgreens website. At the top, there are promotional banners for "Free 1-hour Delivery at \$20+", "Weekly Ad", and "Shop holiday". Below this is a dark blue header with the Walgreens logo, a "Menu" dropdown, a search bar, and an "Account" link with a shopping cart icon. The "Account" link is circled in red. Below the search bar, the text "Nearest store: 151 N STATE ST, Chicago, IL" is visible. The main content area features a large banner "Healthy holidays ahead" and three cards: "Schedule vaccination(s)", "COVID-19 information", and "COVID-19 testing options". On the right side, a dropdown menu is open, showing "Sign in or Register" (circled in red), "myWalgreens™" with the text "Make every visit more rewarding. Join or link your membership", and a list of account options: "Account Home", "Refill Prescriptions", "Prescription Status", and "Vaccination Records".
