## Northstar Digital Literacy

### What is Northstar Digital Literacy?

Northstar Digital Literacy (NDL) measures the digital literacy of people. NDL helps people develop digital skills needed for daily life, employment, and higher education. Through helping people around the world build computer skills, NDL helps those who lack digital literacy and even those seeking employment.

### Instructions

1. First go to the Northstar Digital Literacy official website ([here](#)). Look for the “Test Your Digital Literacy” section and click on “Take an Assessment.”

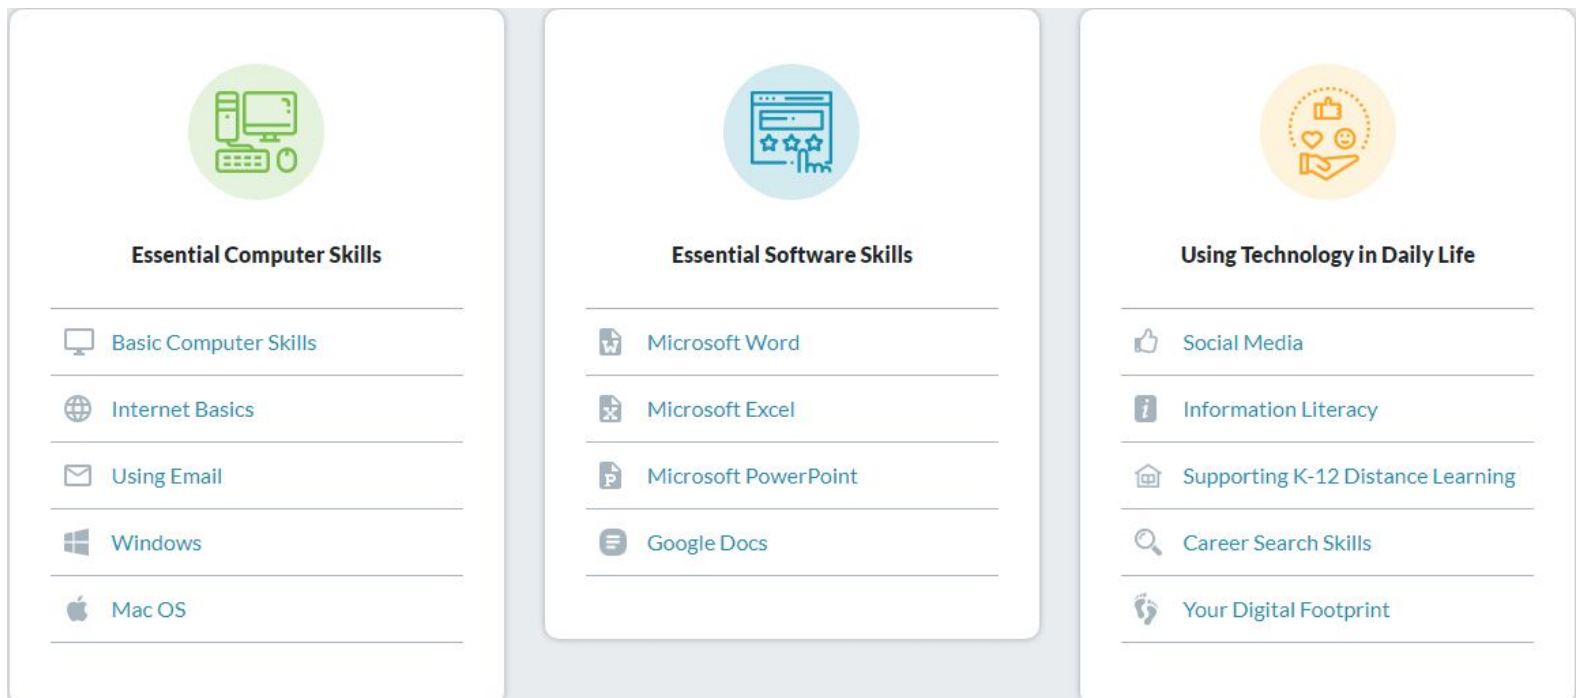

### Test Your Digital Literacy

Complete any of the online modules to see what you know.

**TAKE AN ASSESSMENT**

2. You will be then directed to this section. When you are on this section, scroll down until you see the “Build you Skills” section.

3. When you get to this section, go to number 2 and click on any of the digital skills assessments offered for free in blue.

### Build Your Skills

1. **Find a Northstar location** where you can access classes and learning resources.

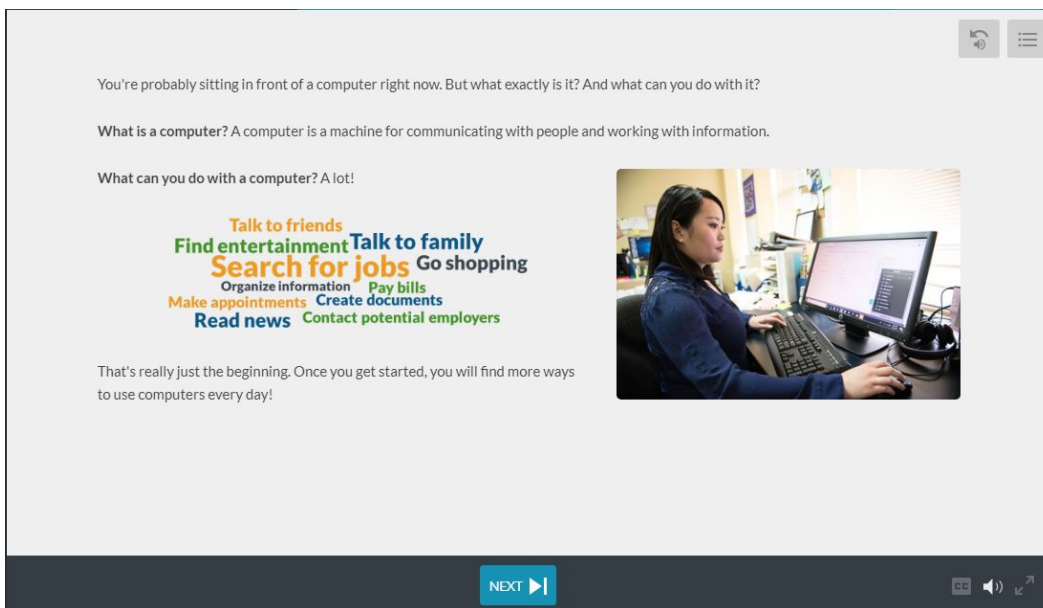

2. Northstar Online Learning (NSOL) can help you learn digital literacy skills online. The public can access the following units freely, right now: **Basic Computer Skills – Email – Microsoft Word – Career Search Skills.**

3. **View other resources** from the web, curated by Northstar, that can help you learn digital literacy skills.

4. In this example, we will be going over the Basic Computer Skills assessment.

- When you click on next, you will be introduced to computers and some of their uses

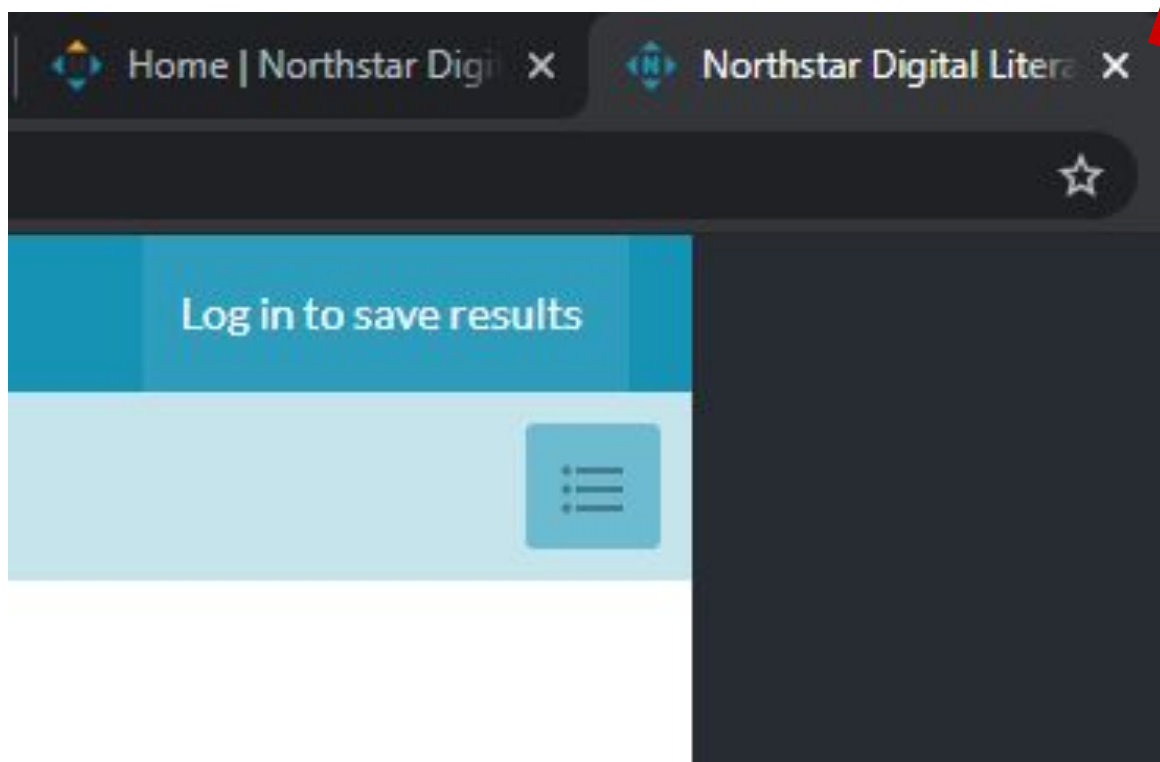

- After reading through the test, click next and you will be taught about different parts of computers and their functions
- Make sure to click next whenever you finish reading/listening to each section

5. When you finish reading/listening through the whole assessment, you will see this.

You have completed the last lesson of Getting Started with Computers.  
Use the navigation menu in the upper-right corner to visit another lesson.

6. Go to the tab of the website and close it and go back to the original page to learn other digital skills offered by Northstar Digital Literacy

**Congratulations on gaining knowledge of digital literacy through Northstar Digital Literacy!**
