## Find the Right School in Boston

Boston School Finder is the only school search tool that merges information on all Boston school choices available to families into one location. We are built for families, with the input of families and students all over Boston.

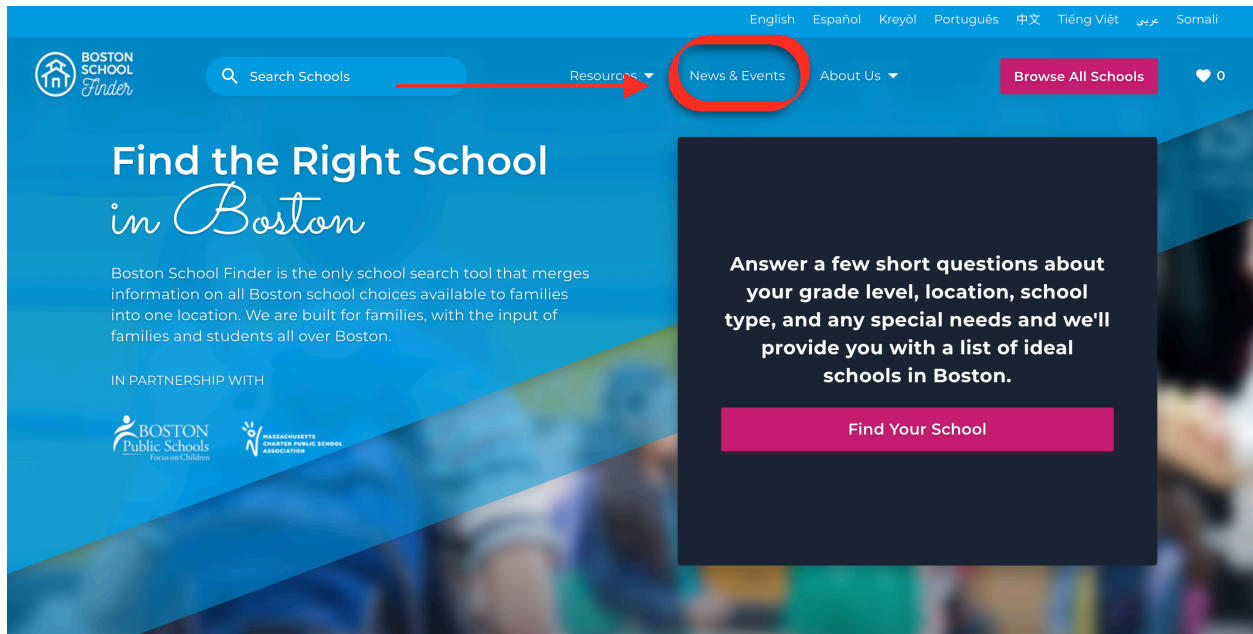

IN PARTNERSHIP WITH

BOSTON Public Schools  
MASSACHUSETTS CHARTER PUBLIC SCHOOLS ASSOCIATION

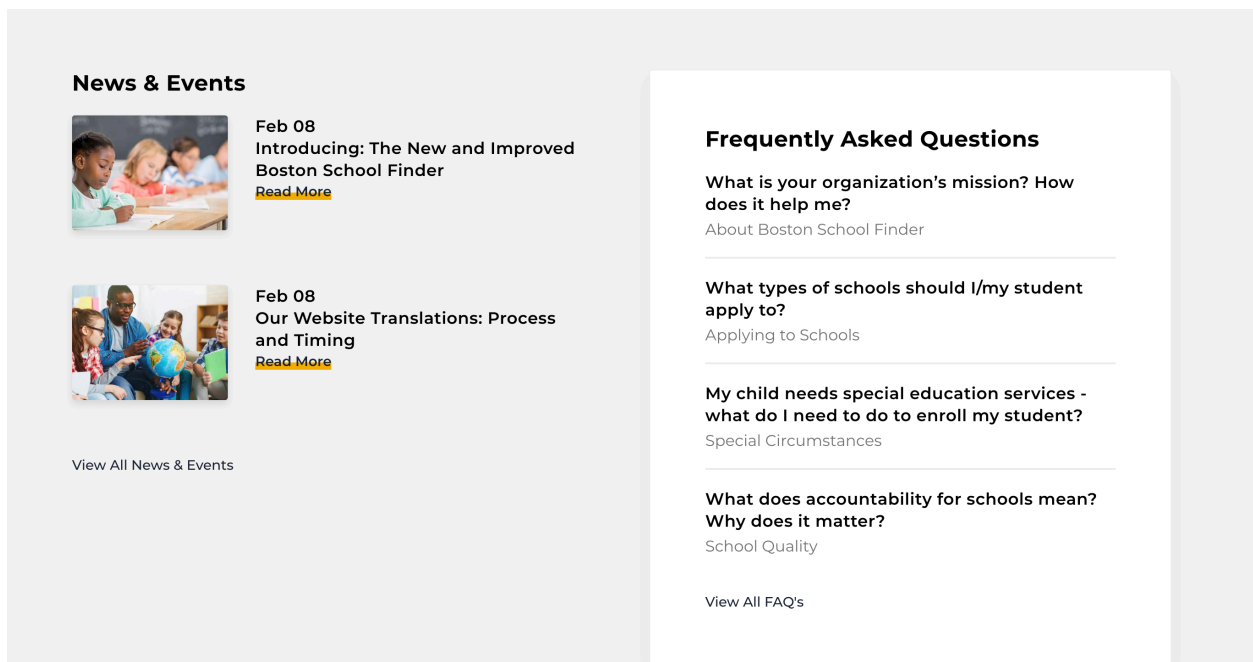

Answer a few short questions about your grade level, location, school type, and any special needs and we'll provide you with a list of ideal schools in Boston.

Find Your School

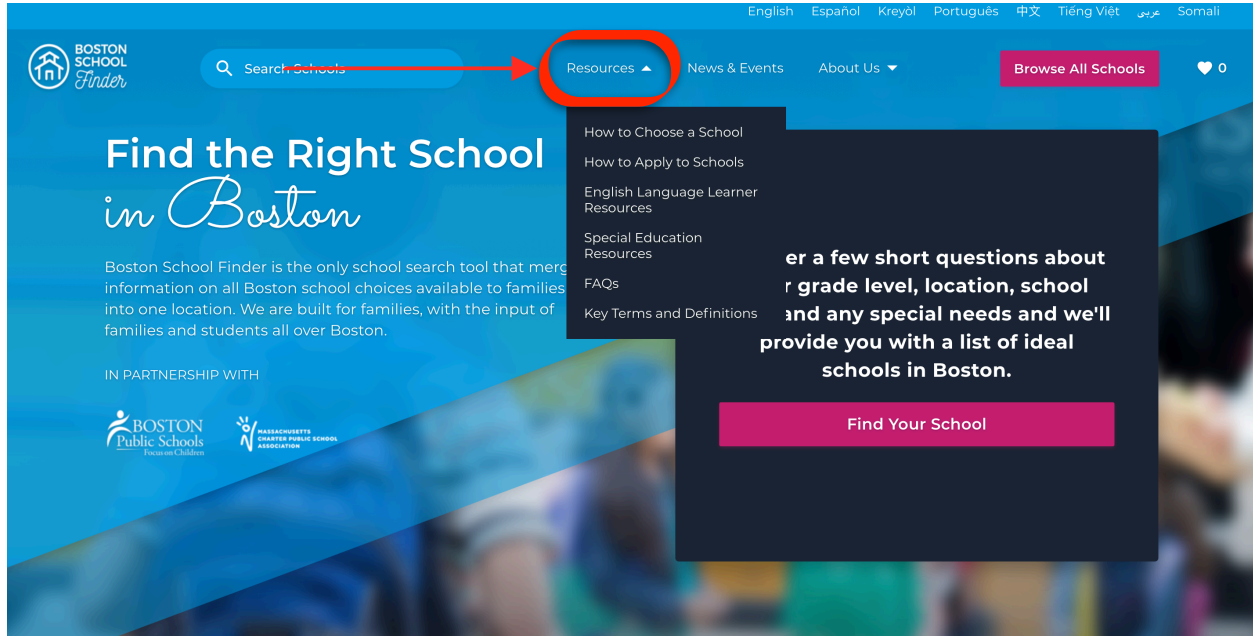

To obtain information on updates on the application process, learn about social events on education, and keep up with what is going on in the school community, go to **News & Events**. You can reach this by clicking in the top menu:

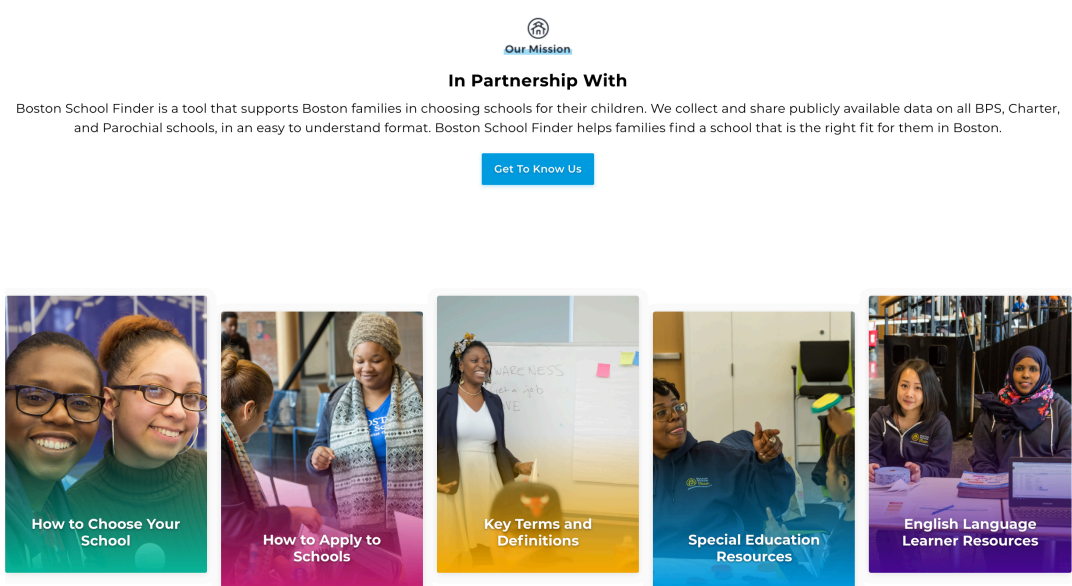

Or scroll down the main page to view the **News & Events** section:

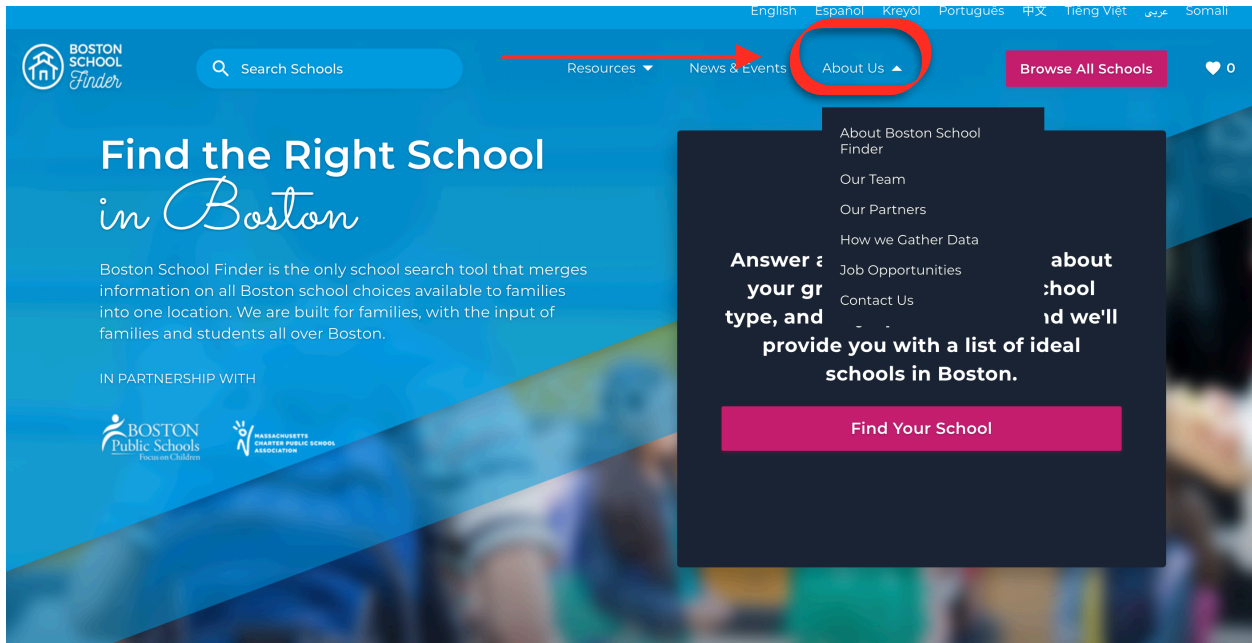

On the main page, click on **Resources** to find more information on how to find and apply to the best school for your children or to learn more about resources for **Special Education** or **English Language Learning**.

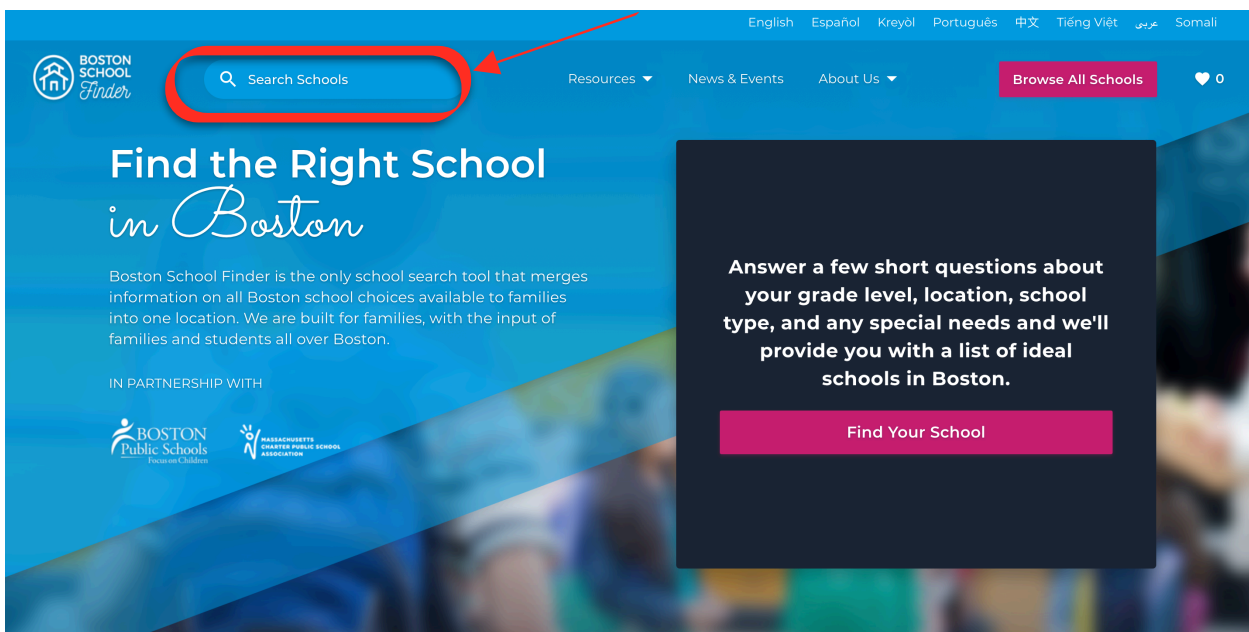

Or scroll down the main page to click on **Resources**.

Click on **About Us** to learn more about what **Boston School Finder** does, who works for **Boston School Finder**, and contact information.

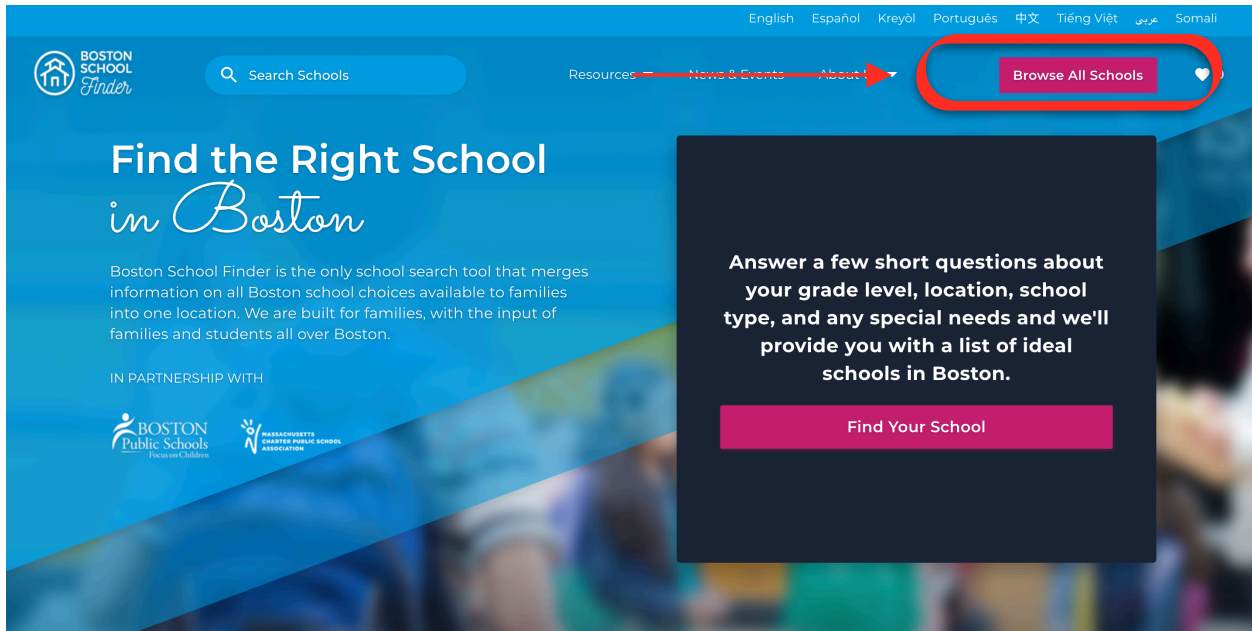

If you want more information on a **specific school**, you can put the name in the search bar.

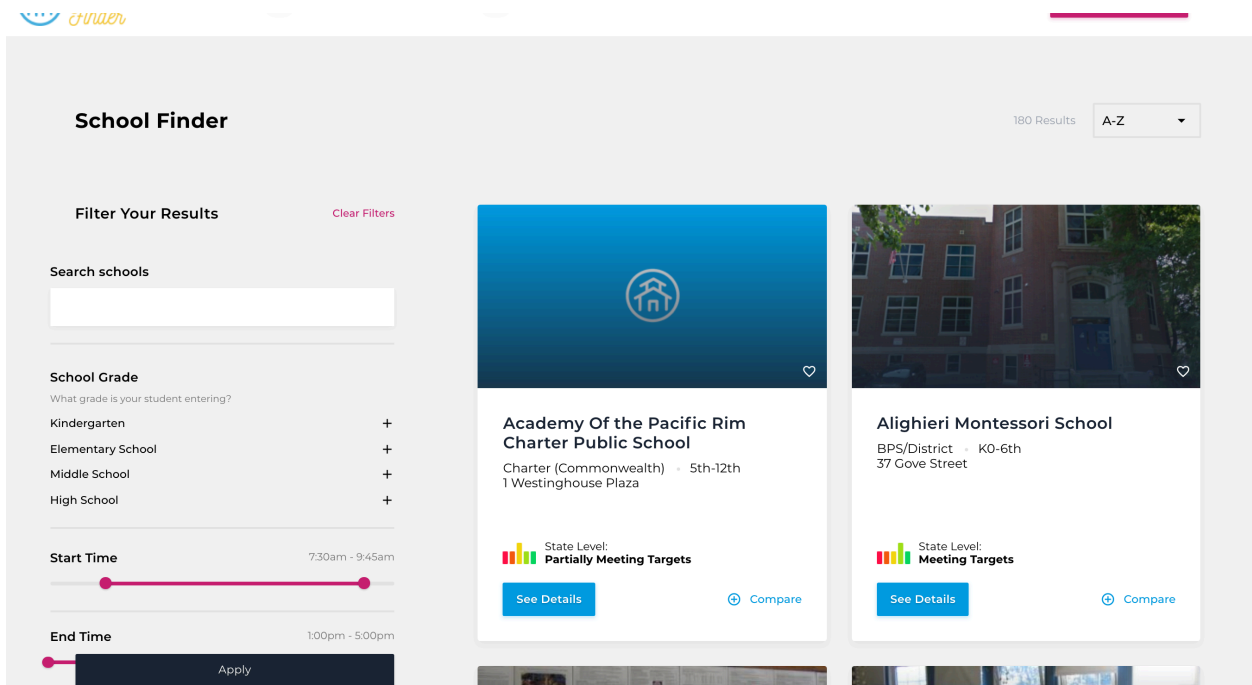

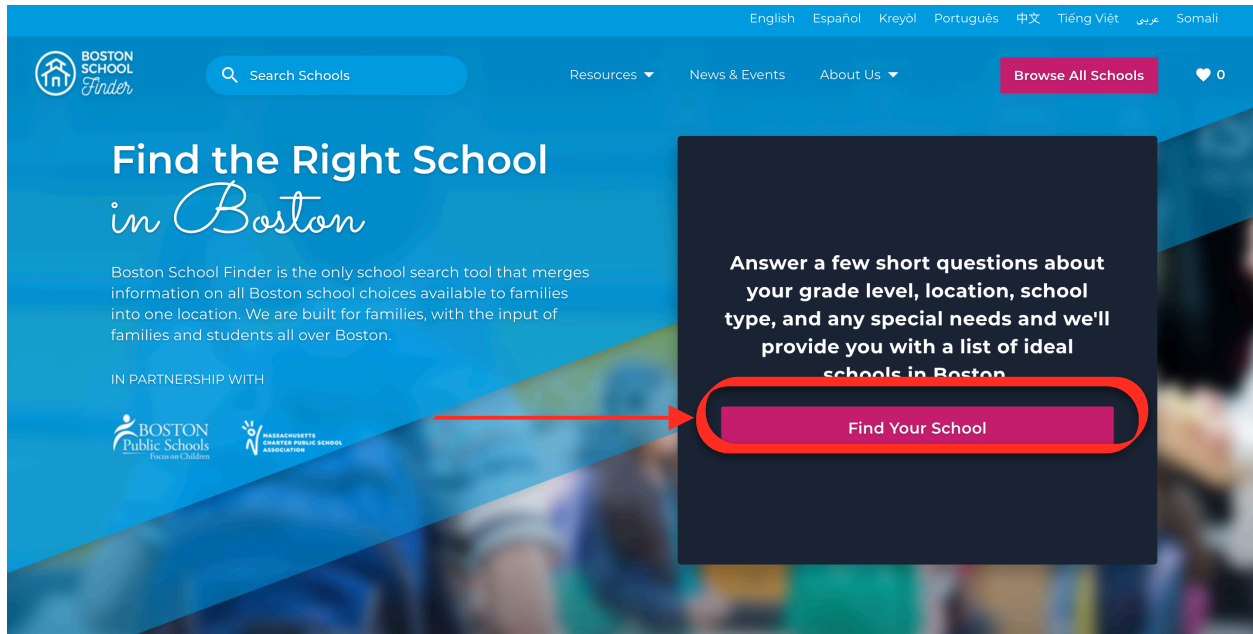

You can also look at all the schools available and their important information if you click on [Browse All Schools](#).

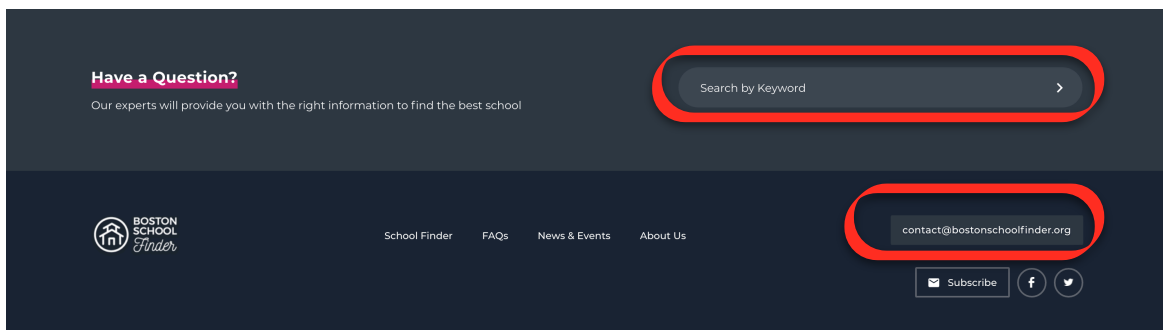

After you click on [Browse All Schools](#), you can input more information to narrow down your search for the best school.

If you want to start your search for your best fit school right away, you can click on [Find Your School](#) and answer the follow up questions.

If you have a specific question that is not answered by the website, you can scroll down and type out your question in the [Search by Keyboard](#) search bar or you can email Boston School Finder by clicking on [contact@bostonschoolfinder.org](mailto:contact@bostonschoolfinder.org).

Congratulations! You now know all the information you need to navigate Boston School Finder!
